**RENEWED PETITION UNDER 37 CFR 1.137(B) AND REQUEST FOR  
EXTENSION OF TIME**

Sir:

The above-identified application apparently became abandoned for failure to file a timely reply to a notice by the United States Patent and Trademark Office. It appears that a Notice of Allowance in this application was sent by the Examiner, but not received by the

undersigned, and accordingly, the appropriate fees have not been paid to allow issuance of this application.

Applicants previously petitioned for revival of this application. Applicants' petition was denied in a correspondence dated June 7, 2005, for failure to submit formal/replacement drawings. Enclosed, please find replacement drawings for all of the original drawings previously submitted with this application. These sheets, which include FIG. 1-20, replace the original sheets, which included FIG. 1-20.

These replacement drawings incorporate the proposed changes submitted in the proposed drawing corrections filed on June 27, 2001 and December 14, 2001, which changes were approved by the Examiner. As Applicants have now fully complied with the requirements of 37 CFR 1.137(b), Applicants hereby renew their Petition under 37 CFR 1.137(b) for revival of this application.

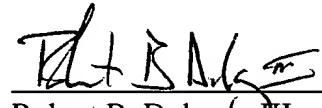

A copy of Applicants' original Petition For Revival is enclosed for the Petition Examiner's convenience. Additionally, the completed Issue Fee Transmittal Form is enclosed. No further petition fee is believed to be required for this petition renewal, and Applicants respectfully request that their Renewed Petition For Revival be granted.

**PETITION FOR EXTENSION OF TIME AND AUTHORIZATION FOR PAYMENT OF FEES**

Pursuant to 37 C.F.R. § 1.136(a), Applicants petition for an extension of time through and including September 7, 2005, in which to respond to the correspondence dated June 7, 2005. Any fee required for said extension of time is hereby authorized to be charged to deposit account no. 502889. It is not believed that any additional fees are required. However, in the event that any additional fees are required and/or are necessary to

allow consideration of this paper, revival of this application, and/or issuance of this application, such fees are also hereby authorized to be charged to deposit account no. 502889.

Respectfully submitted,

---
